

Introduction

We aim to consistently provide, clean, hygienic, and safe environments in which our customers can thrive. In order to do this, we deliver high quality services, using defect-free products and equipment to ensure that customers receive a service that is compliant with specification, on time and within budget.

In order to comply with all legal obligations, we ensure that systems are in place.

We operate a Quality Management System in the form of a Quality Manual which has gained BS EN ISO 9001:2015 certification, including aspects specific to the contract cleaning industry.

Our Commitment

Our management team has a commitment to:

- Ensure that customer needs and expectations are met.
- Establish the Quality Policy and set Quality Objectives at relevant functions, levels and processes.
- Develop and improve the Quality Management System.
- Ensure that the Management Reviews set and review the Quality Objectives, and report on the internal audit results as a means of monitoring and measuring the processes and the effectiveness of the Quality Management System.
- Ensure the availability of resources.

The structure of the Quality Management System is defined in the Quality Manual.

We constantly monitor our Quality performance and will implement improvements when appropriate.

The Quality Policy is regularly reviewed in order to ensure its continuing suitability.
