

## Creating a clean, hygienic and safe staff room

We want to ensure that your staff room is a clean, hygienic and safe environment in which you can relax, take a break and thrive in. This is why we are introducing our new cleaning and hygiene solution.

- We will be carrying out a **weekly clean**
- **Protective coatings** will also be applied to all surfaces

## Benefits of Protective Coatings

**Kills bacteria,  
viruses & germs**

**Reduces Sickness**

**Creates a healthier  
environment**

**Improves attendance**
